

Team Building as a Team

1-day workshop

‘Together everyone achieves more’

Scenario

They come in all shapes and sizes, yet whatever the type, the most successful teams always have core principles in common. One - a clear goal, two – common values and three – well managed communication. What we know is that these principles do not come about by coincidence, they are deliberately put in place by team members who want to succeed, and work in a happy and productive environment.

Audience and Benefits

Anyone working within a team, or a function that requires co-ordinated work.

Objectives

By the end of this workshop you will be better able to:

- Identify their vision and goals
- Explore the current team roles, structure and duties
- Create a framework for increased coordination and communication
- Understand current funding regimes

Content

Morning

- What makes a good team? Discussion and exercise.
- Belbin, team game and analysis
- Identifying our goal and Vision.
- Communicating in teams – The OK Corral

Afternoon

- Legend of Zin, team game and analysis
- Practical steps for managing time.
- Overcoming problems with initiative.
- The next steps...

Activities or Features

Using exercises and activities that practically demonstrate the importance of effective teamwork you will better understand how to build, co-ordinate and be part of - a successful team. Action planning for future success and integrating principles into practical application.
